

2021 Sponsorship Opportunities

With generous community support and show sales, the Evergreen Youth Livestock Show directly distribute over \$99,000 in proceeds to 110 youth participants in 2019. With continued commitment from our sponsors, we are excited to continue the growth of the program and provide opportunities for youth to learn and grow in the agricultural community.

Please join us in supporting the 2021 EYLS as a corporate sponsor, individual and/or save the date for the sale to support the youth directly in person as a buyer!
