

2025 Sponsorship Opportunities

With generous community support and show sales, the Evergreen Youth Livestock Show directly distributed over \$216,000 in proceeds to 146 youth participants in 2024. With continued commitment from our sponsors, we are excited to continue the growth of the program and provide opportunities for youth to learn and grow in the agricultural community.

Please join us in supporting the 2025 EYLS as a corporate sponsor, individual and/or save the date for the sale to support the youth directly in person as a buyer!
