DIVISION 3 – CUT HORTICULTURE SPECIMENS - DAHLIAS

This class is open to anyone wishing to compete with members of the American Dahlia Society. Please note that the Fourth Show (beginning Friday, August 30) includes a complete Dahlia schedule as well. This Dahlia Division will be judged by A.D.S. Classification. Dahlias must have the first set of leaves below bloom left on.

Disbudding on "AA", "A", and "B" sizes should be done 10 days to two weeks prior to show time so they will be well healed.

Miniature and pompom may be disbudded the day of exhibition; they should not be disbudded earlier than 3 days before the show.

Flowers should set at 45-degree angle on stem without crook in stem or stalk. Stem in good proportion to bloom. Triple or more bloom entries must be of same variety. If any entry is not worthy of a blue ribbon, a red or white may be awarded.

Novices are encouraged to enter any worthy specimen.

DIVISION 4 – DAHLIAS Cut Horticulture Specimens

This is an open competition. This show is planned for those who prefer NOT to compete with the ADS. Dahlias must have first set of leaves below bloom left on. Disbudding on "AA", "A", and "B" sizes would be done 10 days to 2 weeks prior to show time so they will be well healed. Miniature and pompom may be disbudded the day before the show. Flowers should be set at 45-degree angle on stem without crook in stem or stalk. Stem in good proportion to bloom. Triple or more bloom entries must be of same variety. If an entry is not worthy of a blue ribbon, a red or white may be awarded. Exhibitor may make only one entry in each lot or sub-lot. See more horticulture rules in the beginning of the Floriculture Section.
