

## Mission Statement

The mission of the Evergreen Youth Livestock Show (EYLS), in harmony with the youth and the communities, is to empower youth to be positive contributors to society and the livestock industry.

To accomplish these goals, the EYLS will encourage:

Animal husbandry and food quality assurance through raising market animals using ethical, safe, and healthy methods.

Financial management and economics through the record book contest and auction.

Cooperation, responsibility, and environmental cleanliness among groups through herdsmanship.

**Purchasing and Processing**

All buyers must register with the auction clerk prior to 5 pm on Saturday, August 23, 2025. Purchases must be paid in full at the time of the sale. Cash, checks or credit cards will be accepted. Please register early and pick up your bid number.

Slaughtering, cutting, and wrapping are paid for by the buyer. The buyer will make arrangements for processing through the Auction Clerk at time of sale.

If you would like to support the youth but don't want to purchase an animal please considering "Add-On" support to the auction sale price.

Portions of your purchase or support may be tax deductible.

**Get Involved!**

**As a youth participant** you will have opportunities to learn by following good health, nutrition, and management practices in which you can provide a safe, wholesome product for consumers. Youth participants register at: <https://www.evergreenfair.org/159/Exhibitors>

**As a sponsor** you will help our future young farmers pursue the goals of raising healthy livestock, learning about raising market animals and how to show them at an auction. Please consider sponsoring awards, or volunteering at the show or auction. We also need local farmers to host animals for youth that may not otherwise have an opportunity to be involved.

**As an auction participant** you will have an opportunity to meet the youth that raised the food for your table. Please consider a **direct donation to a particular youth (called an "Add-On")**, **purchasing an animal for yourself, or purchasing an animal to support.** Instructions for purchasing an animal for either option will be provided at the auction.

The facilities are provided by the Evergreen State Fairgrounds. The Evergreen Fair Foundation, 501c3 organization provides assistance as needed.

Opportunities for business sponsorship are available by contacting:
